

PRODUCT CROSS REFERENCE

DiversiTech's Part No.	CP-22	CP-22T	
Competitor's Part No.	Field Controls	20+ULS	20+ULST
	Hartell	KT3	KT3-1ULT
	Beckett	CB201UL	CB201TUL
	Little Giant	VCMA-20ULS	VCMA-20ULST

CP-22 Condensate Pump – 22' Lift

Unit Dimensions	12" Length x 7" Width x 6" Height
Unit Weight	5 lbs.
UPC	095247091263
Units per Case	5
Case Dimensions	30" Length x 13" Width x 7.5" Height
Case Weight	25 lbs.
SCC	20095247091267
Units per Pallet	75
Pallet Dimensions	42" Length x 40" Width x 43" Height
Pallet Weight	420 lbs.
SCC	50095247091268

CP-22T Condensate Pump with Tubing – 22' Lift

Unit Dimensions	12.25" Length x 8" Width x 9.5" Height
Unit Weight	7.5 lbs.
UPC	095247091287
Units per Case	5
Case Dimensions	40" Length x 13" Width x 10" Height
Case Weight	37.5 lbs.
SCC	30095247091288
Units per Pallet	60
Pallet Dimensions	42" Length x 40" Width x 43" Height
Pallet Weight	495 lbs.
SCC	50095247091282

The carton has been designed with an innovative handle to make the condensate pump easier to carry.

About DiversiTech

DiversiTech Corporation is North America's largest manufacturer of equipment pads and a leading manufacturer and supplier of components and related products for the heating, ventilating, air conditioning, and refrigeration (HVACR) industry.

Headquartered in the Atlanta, GA metropolitan area, DiversiTech manufactures a suite of products, which includes a wide range of mechanical, electrical, chemical, and structural parts for HVACR systems. The company maintains manufacturing and distribution facilities in key U.S. locations and in the Far East. DiversiTech has enjoyed a continued history of successful growth and has acquired industry-recognized brand names including Wagner Manufacturing and Specialty Chemical.

DIVERSiTECH

FEATURES AND BENEFITS OF DIVERSITECH'S CONDENSATE PUMP

Metal Hang Tabs

Shatterproof stainless steel hang tabs have hole-and-slot design for easy mounting. Tabs are located on convenient 8" centers.

Indicator Lights

Red, yellow, and green indicator lights readily show the pump status. Green for power applied, yellow for pump running, and red for high level alarm.

Overflow Safety Switch

1/4" quick connect terminals provide easy connection to the built-in overflow switch. Three terminals are provided allowing the installer flexibility to connect air-handler shut-down and optional alarm as needed. Switch features SPDT isolated contacts ready for connection to building automation systems.

A Float that Floats

A float manufactured from foamed polyethylene is a simple, chemical and environmentally resistant, long lasting float. Rather than mold a trapped air float from a material that sinks, or use an expanded polystyrene (EPS) float, the DiversiTech float simply floats.

Four Inlet Holes

Four inlets versus two or three on other pumps provide the greatest installation versatility. Inlet holes have a reinforced wall for durability.

Rubber Feet

Rubber feet dampen vibration which reduces noise.

Check Valve

Removable check valve for easy cleaning.

Vibration Isolation

An elastomeric motor mounting gasket dampens vibration.

Pan Pill Dispenser

A pan tablet dispenser is included free with every pump. Perfectly compatible with DiversiTech's Pro-Treat[®] pan tablets.

22' Lift

22' of lift standard versus 20' from other pumps.

Suitable for use with condensate from condensing boilers and high efficiency (condensing) furnaces.
